A New Generation of Cleaning Power

FAST CHARGE

LONG-LIFE

FLEXIBLE POWER

NX1K brings the latest Lithium technology to the Numatic FloorCare Range, delivering more runtime with faster, flexible charging and long-life power with the same professional results and reliability.

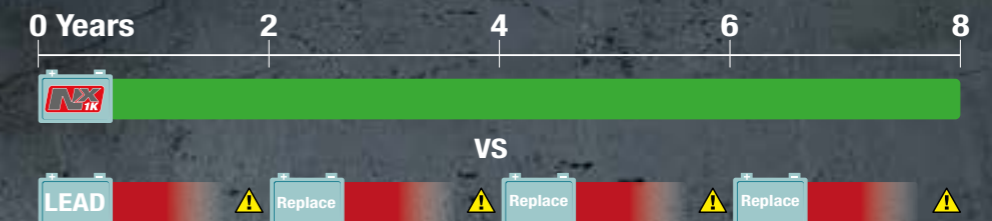

- ✓ 4x Longer Lasting than Lead Batteries
- ✓ Advanced & Safe Lithium Phosphate Technology
- ✓ Flexible Charging
- ✓ 4000 Charge Cycles
- ✓ Extended Long-Life Power

Utilising the latest Lithium Phosphate Technology and delivering over 4000 charge cycles, NX1K is one of the safest batteries platforms on the market. A 3-year* battery warranty provides complete peace of mind for you and your cleaning fleet.

*3-Year Warranty subject to terms and market availability, please contact Numatic for more information.

4X LONGER LASTING THAN LEAD BATTERIES

4x Longer Lasting than Lead Batteries

Runs Longer
Configurable performance that suits you, offering increased runtime of up to 44%*. Ensuring you can keep cleaning when it is most convenient for you.

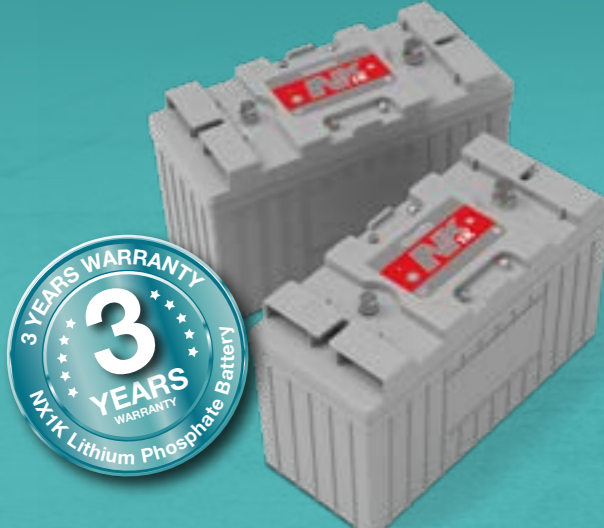

More Sustainable
NX1K lasts longer than lead alternatives, significantly reducing material use and disposal, providing a much more sustainable solution.

Fast & Flexible Charging
Unlike Lead, NX1K Fast Charge Technology allows completely flexible charging, allowing you to use your machine whenever you need to, no matter how much it's charged.

NX1K Fast Charge Technology drives productivity, providing you an increase in machine availability in comparison to Lead.

Extended Long Life Power
Delivering over 4000 charge cycles, NX1K will last as long as your machine. Utilising the latest Lithium Phosphate Technology, NX1K is one of the safest battery platforms on the market. A 3-year battery warranty provides complete peace of mind for you and your cleaning fleet.†

Nu-Track Insights‡
Built-in with our intelligent fleet management telemetry system, Nu-Track provides in-depth insights, lowering costs and increasing productivity across your fleet.

*Any comparisons used are based on typical usage scenarios, results may differ. Performance comparisons use equivalent GelTec models.

†3-Year Warranty subject to terms and market availability, please contact Numatic for more information.

‡ Nu-Track subject to market / model availability. Launching Spring 2023.

Saves you Money

Investing in Lithium, compared to routinely replacing lead batteries and associated service costs, provides a positive return on investment across the NX1K range, therefore saving you money.

Nu-Track

Intelligent Fleet Management Telemetry, lowering costs and increasing productivity.

- Asset Management**
 Understand how, when and where your cleaning fleet is operating. Each asset automatically uploads status, location and usage reports to the portal.
- Maximise Return**
 Deploy machines effectively, based on environment, use and hours worked. Insights allow fleet managers to deploy newer assets to the most demanding environments and critical locations.
- Intelligent Insights**
 Cleaning fleet data allows informed decision making for increased cleaning and productivity standards. Assured security and privacy using global cloud hosting means your data is secure and backed up using the latest hosting technology.
- Maximum Operating Reliability**
 Manage and track servicing requirements to keep your cleaning fleet running smoothly, extending machine life and eliminate costly downtime.
- Security & Prevention**
 Prevent unauthorised use beyond specified working environment using WiFi Technology. If a machine is moved beyond the Geo-Fence, an alert will be sent.

Available 2023 in the UK. Local market availability may vary.

Nu-Assist

INCREASE CLEANING PRODUCTIVITY

The Nu-Assist App offers the benefit of online training through a simple, versatile and user-friendly solution, resulting in increased cleaning performance and productivity.

- ✓ 24/7 Access to Multilingual Training
- ✓ On-hand Troubleshooting and Maintenance
- ✓ Increased Cleaning Productivity
- ✓ Product Training

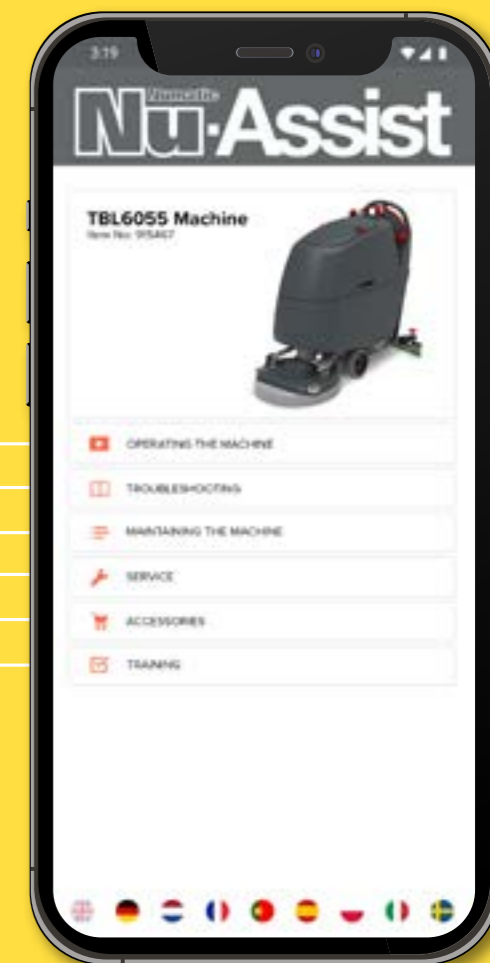

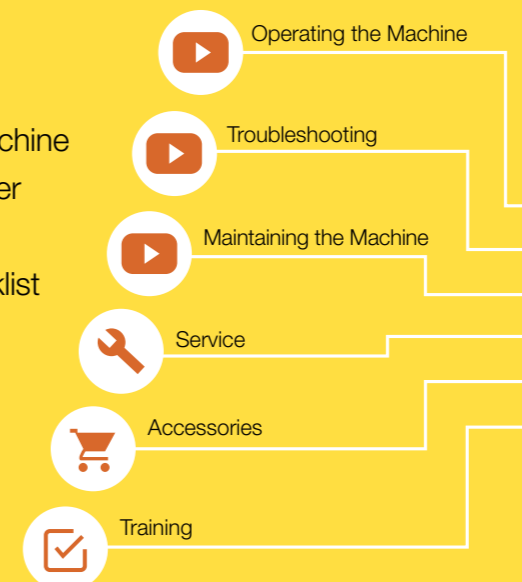

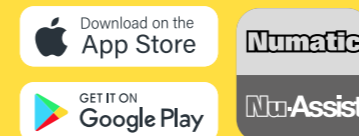

Training and Support Around the Clock

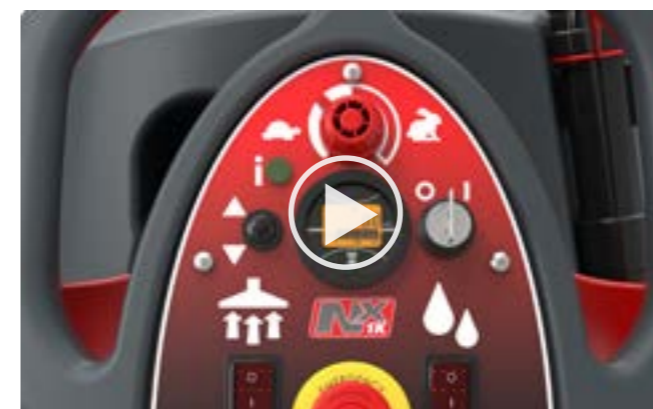

How it Works

1. Scan the QR Code on the Machine
2. Open in App or Mobile Browser
3. View Quick Start Videos
4. Carry Out Maintenance Checklist
5. Complete Operator Training

Download the App

Troubleshooting and Maintenance Videos

Quick Start Videos

Multilingual Support

With Nu-Assist on-hand, you and your team have 24/7 access to multilingual training, troubleshooting and maintenance content from any device, increasing cleaning productivity across the board.

Quick Start Guides

Don't delay and get straight to business with our quick start guides. Learn how to get your machine up and running and start achieving those high-quality cleaning results as quickly as possible.

Maintenance Videos

Find out how to effectively maintain your machine in order to ensure maximum cleaning productivity, time and time again.

Troubleshooting Videos

Got a problem with your machine? Get help whenever you need it with Nu-Assist. Our wide range of handy troubleshooting videos help you to identify and resolve problems quickly and easily, meaning less down time and more time to get the job done.
